DEDICATION

This is a special year for the Seniors of 1979. It is our pleasure to dedicate this year's annual, "The Wildcat", to someone who has touched our hearts as well as our minds; who has coached, counseled, and taught us in the best manner she could. Sally Lacy, our friend, has deeply moved us with great love and inspiration.

To a very sweet girl who has been a great friend.

Love ya
Debbie Morgan

The 1978 Wildcat team roared into season winning all the district games but one — the loss to Christoval, ranking them second in B class.

The Wildcat team worked and struggled desperately to carry on the "Wildcat Pride." Despite the loss, the pride of the team and those who support it allow them to carry their heads high.

Those of Water Valley are proud of our school and of our team and grandly carry on our name — WATER VALLEY WILDCATS.

FUNKY

WVHS students were asked in a poll taken by the annual staff to express their opinions on various subjects. Several observations were made from the results obtained. For example, sports dominated the favorite pastimes list, and students favored the sporty gas-guzzling cars rather than the small economical ones.

It was also discovered that many students could not follow directions or had difficulty in making a choice. When asked to specify "Short" or "Long" often the answer was "Medium".
